Wondering what's in store for the next few months? Here's a *Summery*:

There is a lot in store over the next few months; ways to serve God, have fun, go on trips, learn, fellowship with friends and act like Pandas. April will bring our new discipleship classes and the women's conference. Don't forget about your strawberry tickets as well, they'll be coming in that

month. You know when school ends, so I don't have to remind you of that, but you might like to hear about the Summer Splash going on that weekend. For all you animal lovers Panda-mania will be an exciting time to strut your stuff. And of course we can't forget about the two trips we

will be taking: one to Kentucky for MFUGE and one to Oklahoma for Falls Creek. They'll be a blast, don't miss out. There will also be ways for you to serve the elderly this summer as we do some yard/house work for those who are unable to finish the tasks themselves.

Discipleship Classes!

Summer Events

- 4/3 New Discipleship
- 4/8-9 Women Conference
- 4/20 Pick up Strawberries
- 4/27 Nursing home visit
- 5/28 Summer Splash
- 6/6-10 VBS
- 6/13-17 MFUGE
- 7/18-22 Falls Creek

With the conclusion of True Love Waits, students have begun new discipleship classes. The young men are studying what it looks like to live out worship in every moment of every day. Young ladies are looking at the power of words and how to use

them for good instead of evil. These classes still meet at 5:00PM in the youth room. Classes will run until May 22nd, but skipping the 10th and 24th. There will be no discipleship classes during the summer. Look forward to more in the Fall!

What to expect

At falls creek, students will be submersed in in the idea of being consumed with the person of God, taken from Psalm 103. There will be multiple worship services throughout the day where the entire camp (around 6,000 people) will gather and worship God, as well as time for students and adults from our church to have times of reflection on what we have been learning throughout the week. Students will also grow closer together during the week as they worship God together and spend time in organized (and sometimes less organized) recreation. Sites will also be around the campus for students to learn about missions opportunities

Mandatory Meeting:
Wednesday June 22nd 7:00 PM
